

OEM International Privacy Policy

We have developed this Privacy Policy (hereinafter referred to as "policy") to inform you about how we deal with privacy issues in relation to our website, what information this website collects, who may receive that information, what we may do with the information, and how long we keep it. This policy governs the information we collect about you and your use of information we provide to you. By using the OEM International website, you consent to the practices described in this privacy policy.

What kind of information is collected?

We collect personal information about you after you have provided us with your consent to collect that specific information. By voluntarily providing this information to us, you consent to the collection and use of your personal information as set out in this privacy policy.

1. PERSONAL INFORMATION

Personal information that we collect may include the following:

- Contact information such as name, address, telephone number, mobile number, fax number and e-mail address
- Credit card information and billing address for transactions
- Non-financial identification information, such as your member username and password combination

We collect personal information for the following purposes:

- To create and manage your purchases
- To process your transactions
- To provide customer service
- For website administration purposes
- To evaluate, review or improve the website, products, services, and technologies offered
- To notify customers of updates to the sites and/or contact them to market products or services
- To monitor who is using the services offered on the website
- To communicate with customers about their transactions

We may send transaction-related communications such as welcome letters, billing reminders, expiration notifications and purchase confirmations. We may also send surveys, newsletters, product updates, marketing communications or offers that may be of interest. If you do not wish to receive certain website notifications and announcements, you may make this election by opting out of any future contacts from us at any time by contacting us via info@oeminternational.com. Please keep in mind, however, if you choose not to receive marketing communications or site announcements and updates, you will continue to receive transactional or account communications.

2. NON-PERSONAL INFORMATION

We collect the following types of non-personal information and navigational information, which may be collected automatically as part of the site's operation:

Information about the user's computer system, such as the Web browser type and language, IP address, Internet service provider and operating system

- The website that referred you to us and access times
- Information about the pages you view
- The links you click on the site
- The number of times you visit our site in a month
- Other actions taken in connection with the site

Does this website use cookies?

Yes, this website uses cookies. A cookie is a small text file that is placed on your hard drive. Cookies contain information, including personal information that can later be read by a Web server in the domain that issued the cookie to you. The information that cookies collect includes the date and time of your visit, your registration information, session identification number and your navigational history and preferences.

You have the ability to accept or decline cookies. Most browsers automatically accept cookies, but you can usually modify your browser setting to decline cookies. If you choose to decline cookies, you may not be able to sign in or use other interactive features of our sites and services that depend on cookies but you will be able to perform basic navigation through the site.

Who will receive the information?

Except as set out in this privacy policy, OEM International does not disclose or sell your personal information to any third parties. Please review the possible and defined disclosures of your personal information below:

1. We may disclose your personal information to third-party service providers who perform services on our behalf. For example, we may hire other companies to handle the processing of payments, to provide data storage, to host websites, to fulfill orders and shipments, to assist in marketing, to conduct audits, etc. Those third-party service providers (i) shall be permitted to obtain only the personal information they need to provide the service, (ii) must protect personal information to the same extent as Juice, and (iii) shall be prohibited from using it for any other purpose.
2. The information will be shared with our internal staff and our direct agents.

How long will the information be kept?

Information collected may be retained for as long as it is reasonably required for the purposes it was collected. Session data expires at the end of a visit. Logged data is reviewed for errors and rotated frequently. Member data is stored for long-term customer service purposes.

What if I think there are inaccuracies in my information? If you believe we are not handling your information in accordance with our privacy policy, please contact us at info@oeminternational.com. If for some reason we have violated our privacy policy, we will correct the error as soon as you notify us.

How is my personal information securely retained?

We follow generally accepted industry standards to help protect your personal information, including without limitation:

- Limiting access to your personal information to those employees or personnel that require it to provide services to you
- Requiring employees or personnel to sign confidentiality agreements to protect customer and other confidential information

- Ensuring that third-party service providers sign confidentiality agreements to maintain the confidentiality of your personal information and not to use it for any unauthorized purposes
- Encrypting credit card information on our order forms using secure socket layer (SSL) technology
- Storing your personal information in secure computer systems which protect it from unauthorized access or use.

Please be aware, however, that despite our efforts, no security measures are perfect or impenetrable, and we cannot guarantee the protection of information against such events, nor can we promise that your information may be not be disclosed or accessed by accidental circumstances or by the unauthorized acts of others. You are responsible for all uses of our website by any person using your password. Please advise us immediately if you believe your password has been misused or otherwise misappropriated.

We reserve the right to change the terms of this privacy policy at any time but will not do so without posting the revised policy on this website. We encourage you to review this privacy policy whenever you visit our website to make sure you understand how we use the information we collect.
